A Message from Pastor Deborah:

John 6:26

"Jesus answered them and said, "Most assuredly, I say to you, you seek Me, not because you saw the signs, but because you ate of the loaves and were filled."

Do you seek the Lord, from a place of needs, or obligations, rather than a place of fellowship, and admiration? Jesus was constantly with the people, and performing the miraculous signs and wonders, proving to them God the Father had sent Him to reveal the Father's love, to reveal who the Father was, to express God's kindness, His grace, His mercy, to show them He was there to extend His salvation of healing and prosperity to all those who would receive Him. Even though lots of people were seeking Jesus, they were not seeking Him for the right reasons. Yes it is good to depend on God and put faith in Him for all our material means, but is that the only reason you come to God is for what He can give you? The motive is what matters always! God looks at the heart. The motive or reason, why we do what we do, is always more important than what we do.

God desires those to seek Him for who He is, and not what He can do. Think about this, you love your spouse for who he or she is, not for what they can do for you. How much more should we seek God for all He is, not what He has done, and will do for us.

"But without faith it is impossible to please Him, for he who comes to God must believe that He is, and that He is a rewarder of those who diligently seek Him."~~Hebrews 11:6

Jesus loves you and He desires to show you He IS and can be your everything!
